

EDUCATE. INSPIRE. ENTERTAIN. DIFFERENTIATE.

Strengthen relationships with existing residents while enhancing your facility's standing in the eyes of family members and the community by offering a Kimbrough Law Presentation Six-Pack Webinar Series. North Georgia's premier estate planning and elder law firm explains the basics of estate planning and elder care law in language everyone can understand.

## PAYING FOR CARE

### Six-Pack Webinar Series

Learn how to respond with confidence to challenges throughout the elder care journey.

#### **Presentation #1: Your Own Pocket**

Could you be on the hook for your spouse's or parents' long-term care? Find out when you or your family might be asked to foot the bill—and what you might be able to do to get out of it.

#### **Presentation #2: Long-Term Care Insurance**

If you bought a long-term care policy, will it work like you think it will? How do you use it? What problems can arise? Find out how what these policies can—and can't—do.

#### **Presentation #3: Medicare**

Medicare pays for long-term care, right? If you believe this, you'll be in for a surprise when the bill comes. Find out what you can and cannot expect from this health benefits program.

#### **Presentation #4: Medicaid**

This popular safety net can pay for long-term care in nursing homes, but only if you know how to apply. Unfortunately, families make mistakes far too often. Learn how to avoid them.

#### **Presentation #5: VA Benefits**

Tax-free benefits are available to older veterans and their spouses who need long-term care. How much money could you get? How do you apply? This presentation explains.

#### **Presentation #6: Hybrid Life Insurance**

There are new ways of paying for long-term care that didn't exist a decade ago. Hybrid life insurance policies are excellent options for anyone 50 or older who is starting to think about their future.
